

'I want to reflect to others how rewarding hosting a student can be, knowing you have truly supported and nurtured a student nurse. I think we all forget too quickly how we all needed people to help us with our training and how we owe it to the profession to pass on our wisdom, knowledge and experience. If we don't, the already fragile numbers of future nurses will be further threatened'

Eileen Flaherty, Practice Nurse,
Sid Valley Practice

THE DEVON CLINICAL PLACEMENT EXPANSION PROGRAMME (CPEP)

SHAPING THE FUTURE WORKFORCE

Could you support clinical placements for Nursing and Allied Health Professional students in Primary Care?

'The whole team has gone out of their way to welcome me and I have benefitted enormously. I would recommend a placement to any nursing student and once qualified, I hope to be able to consider a career in Practice nursing.'

Student Nurse –
Sid Valley Practice

BENEFITS

Students who have Primary Care experience are more likely to consider a career in this field

Your team can showcase their knowledge and skills

Students can act as a resource

Placements foster critical thinking and reflection within the team

Hosting **students** improves recruitment and retention of staff.

Supports the Continuing Professional Development of your **staff**

Tariff payment of £120 per **student** per week for placements of 1 week or more

HOW CAN WE HELP?

CPEP will support you to become a placement provider

We aim to make the process as easy as possible, working in partnership with education providers
